

State Tax Commission

MSU Union Transition Course Parking

June 27 – June 29, 2012

The MSU Parking Office has agreed to make a special offer to the State Tax Commission which allows students to buy a parking pass for \$10.25. This will allow any student that is interested to park in the Grand River Ramp (close to the MSU Union building) in the employee parking spots as opposed to the meter parking.

Anyone who wishes to obtain the parking pass must have a picture ID (Drivers License will be fine) and mention that they are on the State Tax Commission listing.

The Parking Office (517-355-8440) is located at 87 Red Cedar Road in the MSU Police Department.
